

Holiday Tree Recycling

Collection schedules will be normal during the weeks before and after Christmas and New Year's Days, as those holidays fall on a Sunday.

Customers can set natural and flocked Holiday Trees at the curb on normal collection days during the weeks of December 26 - January 13. Please remove tinsel, decorations and the tree stand, as these items can not be recycled. Cut trees in half if over 6 feet and place in the street 1 foot from the curb. Please do not put the trees in your yard waste cart or container.

Multi-family residents place trees near the garbage bin during the weeks of December 26 - January - 13.

Holiday Trees can also be dropped off at Green Valley Disposal, 573 University Avenue, Los Gatos, during the period from December 27 - January 9.

For additional information, please call Green Valley Disposal at 408 354-2100.
